

 RAITAN	Quality Policy Statement	Doc:	RTQC-QM01-A1
		Rev:	2601
		Date:	20-04-2026

Annex 1

Quality Policy Statement

We at RAITAN PTE LTD are committed to always meeting all quality requirements of our customers with the most effective solutions in the design and assembly of battery systems.

Working as a team, we are committed to the following:

- Secure Total Customer Satisfaction by ensuring that all Products and Services delivered continually meet contractual specifications, performance requirements, and delivery schedules.
- All employees of RAITAN PTE LTD shall strive to understand and serve our valued customers by providing high-standard, value-added engineering solutions that meet their needs safely and efficiently.
- Provide products and services that meet this Quality Policy and customer expectations by adhering to the requirements of the ISO 9001:2015 standard and all applicable statutory and regulatory obligations.
- Continuously improve the effectiveness of the Quality Management System, our engineering processes, and our battery system designs to meet current and future market requirements.

This Quality Policy is communicated to all personnel, displayed prominently at our facility, and made available to relevant interested parties. It is reviewed for continuing suitability at each Annual Management Review (RTQC-QP06).
